### All Certifications Report

A new "All Certifications Report" is available in the Learning module. This report displays every certification for all employees. This report can be viewed online, exported to excel, exported to PDF, and export to word. The All Certifications Report includes the following data: Certification Name, Division, District, Location, Employee Name, Employee ID, Hire Date, Start Date, End Date, Current/Expired.

The screenshot shows a web interface titled "ALL CERTIFICATIONS". At the top, there are four radio button options for export: "View Online", "Export To Excel", "Export To PDF" (which is selected), and "Export To Word". \* Browser updates occur on a schedule outside of our release process and we cannot control issues as a result of a recent browser update. Our overall strategy is to maintain active browser support based on demand. Regardless of formal browser support, we will always troubleshoot and correct issues impacting users to the best of our ability within reasonable means.

## Mobile Device Support

BirdDogHR views mobile device support as a critical capacity for our customers and we continue to add functionality to enhance the user experience on mobile devices. However, with many different devices and device specific software, it is impossible for BirdDogHR to test against every possible combination.
